## Parodius / Parodius DA! 1990

Parodius! From Myth to Laughter, released in Japan as Parodius Da! Shinwa kara Owarai e[a] and outside Japan as Parodius (from "Parody Gradius"), is a shoot 'em up arcade video game and the second title in the Parodius series produced by Konami. The European SNES version is also known as Parodius: Non-Sense Fantasy. The gameplay is stylistically very similar to the Gradius series, but the graphics and music are intentionally absurd. As a result of its localised title, From Myth to Laughter is often mistaken as the original game of the series. The lesser known original game, Parodius: The Octopus Saves the Earth, was released for the MSX computer in Japan.
